

FRASER BIRTH COLLABORATIVE IS HIRING!

Don't miss the opportunity to join our dynamic and supportive team!

Fraser Birth Collaborative is looking to hire a registered midwife. As a collaborative care clinic; FBC operates under an alternative practice model. Our wonderful team includes midwives, doctors, registered nurses/lactation consultants, doulas, and a counselor, all striving to provide quality comprehensive care. Our beautiful brand new clinic space is located close to Abbotsford Regional Hospital (ARH), where we are proud to have strong relationships with our obstetricians, registered nurses, and pediatricians.

Work-life balance is key for us at FBC. We do 24-hour call shifts at ARH; typically 5-6 call shifts/month and 4-5 clinic days/month. Lots of time off, and less of it tethered to your phone or pager. The midwives and doctors handle the prenatal/intrapartum care, while our nursing team leads the postpartum care. Compensation is a generous flat rate for call and clinic days with no overhead.

Those who call Abbotsford, and the Fraser Valley, home benefit from the abundance of outdoor activities available in this and nearby communities. Hiking, biking, camping, skiing, and beach days are all easily within your grasp. We also have a budding food and farm scene, plus numerous breweries and wineries to enjoy.

The successful candidate would ideally start in Spring 2023, but FBC has room for flexibility. New grads are also encouraged to apply.

If this sounds like it could be a good fit for you, please contact us at: **inbox@fraserbirth.ca**

Please forward your Resume with a cover letter and references.
