

General Registrant Position

General Registrant Midwife – AMMA Midwives (Brampton, ON)

AMMA Midwives is seeking a passionate and community-minded General Registrant Midwife to join our vibrant and growing practice. If you are looking to work in a diverse, fast-growing community while providing full-scope care to BIPOC clients, this may be the role for you.

We welcome General Registrants, including those who require a CMO Supervision Plan.

About AMMA Midwives

Located in Brampton, AMMA Midwives is a community-rooted practice with hospital privileges at Etobicoke General Hospital, a division of the William Osler Health System. Our catchment area includes Caledon, Bolton, Woodbridge, and Vaughan, offering a range of vibrant communities with easy access to Toronto, Niagara Falls, the US border, the countryside of Caledon, and skiing in the North.

We proudly serve a highly racialized community and are deeply committed to equity, culturally safe care, and strong community partnerships. Our alliances with local health organizations ensure that our clients receive comprehensive and coordinated support. We are also a teaching practice, regularly hosting learners at various levels throughout the year.

The Opportunity

- Position type: Permanent
- Contract: One-year contract with ongoing renewal
- Partnership: Strong likelihood of partnership consideration after the first year
- Caseload: Full caseload of 40 BCCs or more, with the option of a reduced caseload if preferred
- Scope: Full-scope community midwifery with opportunities to develop and participate in innovative programs with our hospital, community partners, and affiliates

You will have the opportunity to:

- Build ongoing, meaningful relationships with clients and families
- Contribute to program development and community initiatives
- Work in both a traditional midwifery model and explore alternative practice models that reflect different life and career stages

Our Practice Culture

AMMA Midwives is committed to a workplace culture that supports sustainable work-life balance. We prioritize:

- Respectful communication and collaborative relationships with peers and allied health professionals
- Support for midwives exploring interests in academic research, CMO or AOM involvement, and personal hobbies and passions
- Flexibility in practice models to better support midwives as their lives and needs evolve

Fluency in Spanish, French, Arabic, and/or a South Asian language is considered an asset, but it is not required.

How to Apply

Please email your resume and cover letter to:

 admin@ammamidwives.com

Kindly indicate “General Registrant” in the subject line of your email.

We look forward to meeting you soon and exploring how you can grow with our community and team.
