

New Registrant Position

AMMA Midwives is excited to welcome a New Registrant Midwife to our Brampton practice as soon as possible. This is a one-year contract with the strong possibility of long-term continuation for the right candidate.

If you are passionate about community-centered care, eager to grow in a supportive environment, and ready to make a meaningful impact in one of Canada's most diverse cities, we would love to hear from you.

About Our Community

Brampton is one of the fastest-growing cities in the country, home to a vibrant mix of cultures, religions, languages, and family experiences. Working here means serving a richly diverse population and building strong relationships with families from all walks of life.

Our midwives hold privileges at Etobicoke General Hospital, part of the William Osler Health System, where we maintain positive and collaborative relationships with nurses, physicians, and allied health providers.

Why AMMA Midwives?

At AMMA Midwives, we deeply value healthy, supportive inter-professional relationships. Our midwives work alongside an incredible network of complementary practitioners offering a wide range of services under one roof. This creates a dynamic, collaborative environment where learning is constant and care is truly holistic.

We pride ourselves on being a practice where you can:

- Grow your skills in a high-needs, high-reward community
- Contribute to meaningful community outreach and engagement
- Help shape practice protocols and build strong team culture
- Learn from diverse practitioners and offer integrated care to clients

We are committed to serving Brampton's diverse population. Knowledge of a South Asian language is an asset, though not required.

Who We're Looking For

We are seeking a New Registrant who is:

- Collaborative, compassionate, and community-focused
 - Excited to work with a highly diverse client base
 - Skilled in communication and relationship-building
 - Interested in contributing to team development and practice growth
 - Ready to step into a supportive environment with mentorship and learning opportunities
