

General/New Registrant Position

AMMA Midwives is looking for a General Registrant to join our practice in Brampton, starting in the beginning of 2018. This posting is for a one-year contract, with the possibility of a long-term position.

Brampton is a fast growing community with a rich mixture of cultures, religions and families with diverse socio-economic circumstances.

Our outreach efforts are directed towards women who are newcomers to Canada, are uninsured or experiencing other challenges in accessing midwifery care.

We have privileges at Etobicoke General Hospital a division of the William Osler Health System and enjoy good working relationships with the nurses and doctors there.

We strongly value healthy, supportive inter-professional relationships and share our location with a fantastic group of complimentary practitioners who offer clients a wide array of specialties all in one place! We believe that this is a dynamic place for our midwives to learn and grow and offer truly collaborative care to our clientele.

We are committed to working with the diverse population of Brampton and are looking for a team member who will contribute to and thrive in this environment. We welcome applicants with strong interpersonal skills interested in contributing to community outreach, development of practice protocols and supportive teamwork. Knowledge of a South Asian language would be an asset.

Please email your resume and accompanying cover letter to management@ammamidwives.com by April 28, 2018. Please indicate "General/New Registrant Position" in the subject line.
