

Abbotsford Midwifery & Wellness

We are looking for a full time registered midwife to join our team at Abbotsford Midwifery and Wellness starting in June 2021 with a flexible start date.

We are located in the beautiful Fraser Valley about one hour east of Vancouver. Known as the city in the country we have an abundance of local outdoor activities as well as a vibrant growing city with lots of local produce, farmers markets, coffee shops, restaurants and craft breweries in the area. We also have affordable housing, great schools and a local university.

We are currently a practice of 3 full time midwives supporting families in Abbotsford and the surrounding area. Due to the high demand for midwifery care in our area and the incentive to have a work life balance we are ready to grow our team.

Our clinic is located in a professional building minutes from Abbotsford Regional Hospital. We are an integrative clinic and share our space with an obstetrician/gynecologist, acupuncturist, naturopath, registered massage therapist and registered clinical counsellor. All of our integrative health care providers excel in providing care to our pregnant moms and their families. We use EMR – Oscar and have full time administrative support.

Abbotsford Regional Hospital opened in 2008 and our maternity unit is a beautiful 28 bed single room family centered birthing unit. We even have bath tubs! The staff, doctors as well as nurses are very welcoming and supportive of midwifery and we enjoy excellent relationships. We have access to more OB and ongoing support and education through our local site.

The ideal candidate will be a midwife with at least one year of clinical experience. Passionate about midwifery, a team player and good communicator. We value work/life balance and want to ensure everyone on our team feels supported, valued and respected. Out of province midwives are welcome to apply!

Please see our website at abbotsfordmidwifery.com for more information about our practice and check us on IG to see what we've been up to lately!

Please direct your questions, CV and letter of interest to: abbotsfordmidwiferygroup@gmail.com ATTN: Sharon Barber.
