

Trillium Midwives

Trillium Midwives is looking for a General Registrant to join our practice starting in June 2019. You must qualify for registration with the College of Midwives of Ontario to be considered for this position.

We are a group of three experienced midwives serving Markham and its surrounding areas. We have full-scope privileges at Scarborough Health Network's Birchmount and General sites, and Toronto Birth Centre.

This position requires you for the openness to a part-time contract depending on the needs of the community and the practice, and to both primary and shared care - the model of care will depend on the needs of the practice at the time of hire. We support each other in achieving and maintaining a work/life balance.

You are expected to be committed to providing compassionate client/person-centred care, have good skills in communication and interprofessional collaboration, and are a good team player. You are also keen in contributing to non-clinical work including outreach and resource development; dedication to the promotion of out-of-hospital births including home births and Toronto Birth Center births.

We serve a diverse community and have a strong link to Chinese community; therefore, ability to provide services in Chinese is an asset.

Applicants are invited to forward your Cover Letter and CVs (with 3 references) to Trillium Midwives at info@trilliummidwives.ca

Thanks for your interest. Only those selected for an interview will be contacted.
