

# General / New Registrant Position

17 month contract

With the possibility of an extension

We are looking for one midwife to join our team, experience our community and our truly collegial relationships within our level one hospital.

- Position available:
  - Parental Leave starting April 2022 for a 3 person team with a caseload target of 36 cc's.
- Our catchment area is a blend of urban/rural/semi-rural communities.
- We work in a shared care model with clinical consistency among our teams of midwives. We rotate through on-call, clinic and vacation weeks with an even distribution of all roles by the end of the year. Stat holidays and time off in July and August are equitably shared among all members of our team.
- Hospital Privileges are held at Stevenson Memorial Hospital (Level 1) in Alliston. There are 4 OB's, Anesthetists, and Respiratory Therapists covering 24/7. There is no pediatrician at this time. We enjoy comfortable collegial relationships with the obstetricians and other health care providers in our community.
- We practice full scope with epidurals and oxytocin (in most cases).
- The successful candidate will be offered a 17 month contract with the possibility of an extension.
- There is an established caseload with due dates assigned for the April start month.
- The clinic uses an EMR (Accuro) offering flexibility and remote access.
- Please see our website for more practice details at [www.allistonmidwives.ca](http://www.allistonmidwives.ca)
