

Boreal Midwifery Practice in Timmins is accepting applications for a General Registrant position available December 1st, 2021.

We are a well-established, well-respected, small, and growing practice.

We work full-scope and are looking for someone who has at least 5 years of recent active practice. We have a waitlist and caseload/schedules are flexible.

We cover a very large mixed urban/rural catchment area and serve a diverse population.

Our out of hospital birth rate is 20%.

We enjoy excellent hospital and consultant relationships.

A long-term commitment is preferred, and a permanent position will be offered after 1 year if both parties agree.

The successful candidate will:

Have a proven track-record of leadership including mentoring/supervising New Registrants.

Have a demonstrated commitment to upholding the highest standard of care and practice.

Enjoy travelling distances for home-visits (in sometimes unpredictable weather).

Have excellent communication skills.

Be welcomed into a fun, friendly and supportive practice and community.

*Spoken French is an asset but not a requirement.

Interested applicants may send their CV and cover letter to amy@borealmidwifery.ca

Only candidates chosen for an interview will be contacted.
