New Registrant Recruitment

Burlington is a thriving and growing community between Toronto and Hamilton. We are a practice of midwives well established in the community. We enjoy full scope practice with a strong home birth rate. We have an excellent relationship with our hospital. We work in a shared care model and are an equity driven practice. We believe in living balanced lives as midwives and good off call practices are a part of this.

With expected Ministry of Health funding, and an anticipated maternity leave, we are looking to hire one new midwife for 2021/2022. If you are interested in joining us in Burlington, apply with your CV and a brief letter of interest explaining who you are and why you would like to be a part of our practice.

Deadline : Please submit your CV and letter of interest no later than **January 28, 2021**. Selected candidates will be contacted for an interview.
