Request for General Registrant – maternity leave (BCC 34/year)

Cambridge Midwives is looking for one general registrant midwife to join our practice with booked caseload May 2021. Start date in clinic would be March 2021. This position is to fill a maternity leave for 12 months with potential to extend to 18 months.

Cambridge is well situated near Kitchener-Waterloo and Guelph and is only an hour from London and Toronto. Our catchment area focuses on Cambridge but includes Paris, Ayr, Puslinch, St. George, Drumbo, Troy, and Sheffield- an excellent mix of urban and rural.

We enjoy a good rapport with our Level 1 hospital and even have a Chief of Midwifery who sits on MAC. We work with oxytocin induction and augmentations and now have epidural privileges to go along with our long anticipated new build. We also have Entonox for homebirths.

Cambridge Midwives is a well-established practice of 9 midwives, with both full and part time primary and shared care models. We enjoy a newly renovated space with 5 clinic rooms facing the Grand River. We are fully accessible. We use an EMR (Accuro) for charting.

Please submit your resume via email and include “GR Position Interest” (attention Ana Maria Barillas).
