

Request for New Registrant (BCC 30, up to 40)

We at Cambridge Midwives are seeking a new registrant midwife to join our practice. Start date to begin clinic would be as soon as possible. We are offering a one year contract with the high possibility of permanence.

Cambridge is well situated near Kitchener-Waterloo and Guelph, and is only an hour from London and Toronto. Whether you enjoy active outdoor activities, love to experience local live music and community events, or simply appreciate an area that is close enough to Toronto, yet still has that small town feel, this is the place for you! Our catchment includes the geographic area within 30 minutes of Cambridge Memorial Hospital.

We practice full scope at our Level 2 hospital (which boasts a beautiful new labour and delivery space), and enjoy a great rapport with all hospital staff. We are well-integrated within the hospital, with our own Chief of Midwifery on staff. We have regular midwifery department meetings and joint meetings with the obstetrics and pediatric departments.

We implement emergency leave and sleep policies to reinforce our commitment to promoting a positive work/life balance for our associates.

Cambridge Midwives is a well-established practice of 11 midwives, with both full and part-time primary and shared-care models. We enjoy a newly renovated office space with 5 clinic rooms overlooking the scenic Grand River. We are fully accessible, and offer underground parking for our associates. We use EMR (Accuro) for charting, and have an administrative assistant and an office manager who provide excellent coordination and support.

Are you a team player who values great communication and equity in the workplace? We welcome you to apply now to Cambridge Midwives!

Kindly submit your resume via email to info@cambridgemitwives.ca with "NR Position: Attention Sam" in the subject line
