

Blue Heron Midwives

30 Dupont Street East, Unit 105

Waterloo, Ontario

N2J2G9

Blue Heron Midwives – Locum General Registrant

We are seeking a locum general registrant starting immediately or ASAP for 12 months with the possibility of extension.

Blue Heron Midwives is a dynamic and busy practice in uptown Waterloo with a catchment area that includes Kitchener – Waterloo and surrounding areas. We have been established since 2011. We have hospital privileges at Grand River Hospital where we have epidural privileges. We provide an innovative mix of individual and group prenatal and post-partum care with our Connecting Pregnancy and New Baby Time programs.

The population we serve is diverse and represents many communities. We work in a shared call model with two teams of 3 midwives. We are a supportive group of midwives striving to create a manageable work/life balance in a fair and non-hierarchical workplace while providing exceptional care. We are looking for a hard-working individual, who is motivated, a team-player, and has excellent communication skills. A great sense of humour is an asset.

Please send a resume and letter of introduction to info@blueheronmidwives.com
