

February 18, 2018

Our practice is looking for a New Registrant or General Registrant position to start summer 2018. We are a group of 8 midwives working in a unique shared care call schedule that rotates 2 weeks on call and 2 weeks off call. Off call means off, no clinic. We have privileges at Lakeridge Health Oshawa hospital and work full scope. We enjoy a great relationship there with the OB's and nursing staff. Our catchment area covers Ajax through Bowmanville primarily. We serve a large teen population and also have a growing Muslim client list from our community. The right candidate will start with a full case load already in care. As a practice we enjoy good food, good friends and lots of laughs. If this sounds like a practice you might fit into please forward your resume. We welcome resumes from all candidates.

Sincerely,
