### Request for Locum Midwife Position (General)

Countryside Midwives is looking for Locum midwife to join our practice from February – May. This locum coverage will mainly be weekend on call coverage with the possibility of more. The coverage is mainly for our Milverton office.

Our practice covers a large catchment area with a great deal of driving. Countryside Midwives has two clinic sites in Milverton and Palmerston. We enjoy a high home birth rate, as well as excellent relationships with our local hospitals. We hold privileges at 5 hospitals; Stratford General, Listowel Memorial, Groves Memorial, Palmerston District and Louise Marshall (Mount Forest). Our clientele has a strong desire for normal birth. We are very supportive of VBAC and birth outside the hospital environment. Many of our clientele are from the Old Order Amish and Mennonite communities.

We thank everyone for your interest. Only those candidates selected for an interview will be contacted.
