

Position: New Registrant Midwife;

- ❖ **We are seeking a full-time New Registrant contractor (30-36 CC/yr)**
- ❖ **Ideal start date would be in November.**

We are a busy and successful practice that opened in Southwest York Region in 2011. We are a practice of 13 midwives currently. We work in a shared-call model, in teams of 4 midwives. You would have 6 months off a year, working 2 weeks per month.

We are located in Vaughan, near Canada's Wonderland, and serve a socially and ethnically diverse community. As well as actively educating about and supporting home births, we currently have privileges at Mackenzie Health Hospital in Richmond Hill. At Mackenzie Health, we work in full scope with epidural and oxytocin certification. We also support non-insured residents of Ontario and are connected with the Vaughan Community Health Center.

We are seeking a dedicated midwife with strong clinical skills, including epidural and oxytocin management, and the ability to transition smoothly into our busy practice and a new hospital at the end of 2020. We currently have midwives who can speak English, French, Hebrew, Russian, Farsi, Cantonese and Mandarin, so speaking another language would be an asset.

Please send your resume to: fcmresumes@gmail.com

Attention: Sharon Swift

We thank all who are interested, but only those offered an interview will be contacted.
