General Registrant Position

Mountain Midwifery Care is a new practice in Hamilton as of approval in September 2016. We are a group of experienced, full-scope midwives, well-integrated within the community and holding privileges at St. Joseph's Healthcare Hamilton (SJHH) and Hamilton Health Sciences (HHS). We are committed to compassionate, high quality, evidence-based midwifery care, and to a progressive business practice of equal partnership. We work in a shared-care model of a week on call (births and visits only) and a week off call (clinic and 4-day weekend), and 8 weeks of vacation time per year.

We are seeking a General Registrant who wishes to work full-time with 40 BCCs per year. This position is available for BCC's starting in April, 2020 or with a flexible start date for a suitable candidate. Candidate would preferably be available to build caseload and do clinic visits before April 2020.

As our newest General Registrant, you are a hardworking team player with a positive outlook. You will be committed to providing compassionate client/person-centred care, have full-scope experience, and excellent skills in communication and interprofessional collaboration.
