

KENSINGTON MIDWIVES IS HIRING....

A General Registrant to join our downtown Toronto midwifery practice in October 2020.

Kensington Midwives is a shared-care practice located in Kensington Market, in downtown Toronto. Our clients are representative of the cultural, class, and linguistic diversity of this city and our goal is to reflect this diversity in the midwives at our practice.

All of our midwives hold privileges at St. Joseph's Health Centre, a west downtown Level II hospital that is very supportive of midwifery and community-based care. We also hold privileges at the Toronto Birth Centre.

As we are committed to an atmosphere of mutual respect and equality, we look forward to applicants with excellent communication skills and a welcoming approach. As expanding the racial and cultural diversity of our staff is a priority for our practice, we particularly welcome applications from persons of colour, those who completed the IMPP, and/or midwives who speak second languages (such as Spanish, Portuguese, South or East-Asian languages, or Middle-Eastern languages).

As such, your emailed, faxed or surface-mailed resume and cover letter must reach us no later than **Monday, June 29th at 5pm**. Interviews will be scheduled for **Wednesday, July 8th**.

Please note that only applicants selected for an interview will be contacted.
