NEW REGISTRANT POSITION 2018-2019

The Midwives Clinic of East York-Don Mills (TMC) is an urban practice in Toronto that that serves a diverse clientele. We have privileges Michael Garron Hospital (formerly Toronto East General) and the Toronto Birth Centre. We have full scope and excellent relationships with our consultants. Our out of hospital birth rate is approximately 30%.

The successful applicant can anticipate a caseload of 30-40 clients, excellent support and mentoring, and a start date of September 2018. We invite MEP or IMPP graduates to apply.

The New Registrant will work in a primary call model with a team of three midwives, with 6 days off call per month and two full months of holidays.

We anticipate that we will call applicants for interviews by mid February with interviews in the latter half of February.

If interested please send a letter of interest and your resume with "NR Position" in title to:
