

MIDWIFERY CARE
NORTH DON RIVER VALLEY

General Registrant Position

Midwifery Care ~North Don River Valley is looking for a strong, thoughtful and dynamic midwife to join our bustling practice with a potential start date of June 2020 or earlier. If there is a good fit between the successful candidate and the practice, there may be an opportunity to extend the one-year contract.

We are a busy urban and suburban practice that cares for a wide spectrum of clients and families that include but not limited to uninsured, Orthodox Jewish, and Korean clientele. We are also involved in many forms of non-clinical work which include: hospital committees, community involvement, as well as service at both the AOM and Ryerson University. We have full-scope privileges at North York General Hospital where midwives attend 600 births+/year. We enjoy excellent relationships with all the staff and care providers at North York General which was recently ranked as #2 in Canada and is considered to be the top 100 hospitals in the world (as per Newsweek Magazine).

We work in a primary call model with alternative weekends off and generous vacation time.

We are looking for a person with strong communication and organizational skills with effective problem-solving skills when it comes to complex situations. BIPOC midwives and midwives capable of providing care in languages other than English are encouraged to apply. Interview dates: TBA.

Please send your CV and letter of introduction to:

midwiferycarendrv@gmail.com

Only candidates selected for interviews will be contacted.
