

MIDWIFERY CARE
NORTH DON RIVER VALLEY

General Registrant Position

Midwifery Care ~North Don River Valley is looking for a strong, thoughtful and dynamic midwife to join our bustling practice with a potential start date of June 2020.

We are a busy urban and suburban practice that cares for a wide spectrum of clients and families that include but are not limited to uninsured, Orthodox Jewish, and Korean clientele. We are an active teaching practice with midwifery students, medical students and allied health care providers as learners. We are also involved in many forms of non-clinical work including hospital committees, community involvement, and service at both the AOM and Ryerson University. We have full-scope privileges at North York General Hospital where midwives attend 600 births+/year. We enjoy excellent relationships with all the staff and care providers at North York General Hospital recently ranked as #2 in Canada and one of the top 100 hospitals in the world (as per Newsweek Magazine).

We work in a supportive call model with a creative approach to work schedules. We alternate weekends off and offer generous vacation time. We are offering a one-year contract with the potential for an extension.

We are looking for a person with strong communication and organizational skills. Individuals with effective problem solving in complex situations balanced with an easy going personality and a sense of humor are welcome. BIPOC midwives and midwives capable of providing care in languages other than English are encouraged to apply. Resumes are being accepted ongoing.
