

MIDWIFERY CARE
NORTH DON RIVER VALLEY

***Start Date: Summer 2018
1 New Registrant position***

Midwifery Care ~ North Don River Valley is looking for 1 New Registrant for 2018-2019. We are a thriving teaching practice that is committed to helping new graduates consolidate their flourishing careers as Registered Midwives.

Our catchment area includes North York, Thornhill, Vaughan and surrounding areas. Our clinic is located on Finch Avenue between Yonge and Bathurst. We have hospital privileges at North York General Hospital where we operate in full scope and have excellent relationships with all of our colleagues. We have a primary care call model where every client is assigned two midwives: a primary and a back up. We take every other weekend off (72 hours) and in addition to that have two four day weekends off in a year. There are 11 weeks of holidays taken per year.

We have received funding for a New Registrant caseload. There is potential for this position to be long term if there is a good fit for both the candidate and the practice. This potential candidate has strong communication and organizational skills, a great sense of humour and is a dynamic group player. Hospital staff privileges has always been granted readily for our midwives.

Please send a resume and letter of introduction via email to
midwiferycarendrv@gmail.com.

We will be in touch with selected candidates for interviews.
