

MIDWIFERY CARE
NORTH DON RIVER VALLEY

1-2 New Registrant Positions.

Start Date: Summer 2019

Midwifery Care ~North Don River Valley is looking for 1-2 New Registrants for a contract position for 2019-2020. We are a busy teaching practice that is committed to supporting and mentoring New Registrants so they can consolidate their skills and get a good foundation to start their midwifery careers.

Our catchment area includes North York, Thornhill, Vaughan and surrounding areas. Our clinic is located on Finch Avenue between Yonge and Bathurst. We serve a very diverse population. We have hospital privileges at North York General hospital where we have full scope and excellent interprofessional relationships. We work in a primary care model with alternative weekends off and generous vacation time.

We are looking for a person with good communication and organizational skills who is a good team player and comes with a great sense of humour. We have funding for one position and are waiting for confirmation for the second position. There is potential for these positions to become long term if there is a good fit for both the candidate and the practice.

Please send a resume and letter of introduction to

midwiferycare@bellnet.ca by the 4th March 2019.

Interviews will then be held and only selected candidates will be contacted.
