

Maternity Care Midwives- Locum GR Position- June, July and August 2019

Fax: 807- 346-6860 Phone: 807-344-2229 Email: admin@mcmidwives.ca

Maternity Care Midwives are seeking a general registrant locum to join our diverse practice of 6 midwives!

Thunder Bay is a thriving city surrounded by wilderness. Want to mountain bike, hike, swim or fish? You can do that all within call distance.

Our practice has two teams of midwives that work in a shared-care model. We strongly support work/life balance. Call schedule includes rarely being 1st on call for no longer than 48 hours, and while doing clinic not being 1st on-call unless covering for sleep relief. We also have a strict sleep relief policy if being up through the night a midwife will relief you.

We work in a mixed urban and rural setting being privileged to care for diverse populations including refugees and indigenous women and their families. We are a teaching practice for midwifery students, IMPP students, Northern School of Medicine residents as well a nursing students. Midwives working in Thunder Bay hold privileges at Thunder Bay Regional Health Sciences Centre which is a tertiary level teaching hospital. We enjoy positive inter-professional relationships and are caring for approximately 30% of the childbearing population in the community.

What are assets a GR will have that we are looking for?

- - Experience working in a full-scope including management of oxytocin and epidurals
- - A midwife who is enthusiastic, hard-working, excellent communication skills and driven
- - A midwife who has a strong commitment to working as part of a team

If interested please fax or email your CV & Cover Letter. We hope to hold interviews shortly.
