Midwives Grey Bruce is a dynamic and busy rural/semi-urban practice covering a large, beautiful catchment area. We are a practice of 11 midwives and are seeking a General Registrant who is interested in providing care to a diverse clientele with a high home birth rate.

Our main, newly renovated clinic is in Owen Sound, a charming lakeside community with great restaurants and a vibrant arts scene. We also have a lovely second clinic site in Walkerton to support our clients in the southern part of our catchment area.

Popular destinations, such as the Bruce Peninsula National Park, the Bruce Trail and Sauble Beach are within our catchment area providing plenty of access to outdoor activities such as swimming, paddling, hiking and skiing.

As a practice, we are committed to supporting midwives in achieving work-life balance. As such, midwives at MGB work within a small team, shared care model. There is flexibility within teams to arrange desired caseload and time away. Increase BCCs with available caseload as desired.

We hold privileges at three area hospitals: Grey Bruce Health Services Owen Sound (Level 2), South Bruce Grey Health Centre Walkerton (Level 1) and Hanover District Hospital (Level 1). As a practice we are working towards full scope of care with midwives remaining MRP for clients with epidurals. Exciting developments are on the horizon!

To apply, please fax or email your cover letter and CV to us.
