General Registrant Position Available

Seeking a ¾ time General Registrant for September 2018

Midland Midwives is looking for a ¾ time (30 BCC) General Registrant Midwife for a 12 month contract with the possibility of extension or permanency. Hospital privileges are at Georgian Bay General Hospital (Midland) and Orillia Soldiers' Memorial Hospital, our Level II referral centre.

Formerly a satellite clinic of Midwives Nottawasaga, the Midland Midwives have newly been approved as an independent practice. Our practice has been establishing itself in this community since 2012. We aim to provide exceptional and culturally safe care for the large Indigenous and Francophone populations of the area. As such, **priority will be given to applicants who are Indigenous, and those with French language fluency.**

Located on traditional Wendat territory, this area is home to Indigenous peoples with a variety of cultural backgrounds, primarily Anishinaabe and Haudenosaunee. Our partnership with Chigamik Community Health Centre helps us to provide a supportive work environment for Indigenous care providers, and a foundation for creating strong relationships within the local Indigenous community. In addition, we are conducting a needs assessment for an Indigenous Midwifery Program in the 2018-2019 fiscal year.

We are seeking someone with a passion for rural midwifery combined with an understanding of the importance of dedicated team work, community outreach, and creating a presence in an underserved area.

We work in a shared call model, with regularly scheduled time off and 3 months vacation annually. Payment will be by billable course of care with due dates beginning in September. The successful candidate will be encouraged to participate in community outreach to increase caseload.

We invite all interested midwives to visit our website www.midlandmidwives.ca to learn more about our catchment area and become acquainted with your new colleagues. If you would like more information, please contact the office 705-527-4154 ext. 216 or email midwives@chigamik.ca

Successful applicants will be notified by phone; all others will be notified by letter or email.
