GENERAL REGISTRANT POSITION

Midwives Nottawasaga is seeking to hire a one-year General Registrant to join our team. The opportunity exists to extend if it is a good fit for the midwife and the practice.

Ideal start date is June 2020. Caseload is established and will be between 0.75-1.0 (30-40 BCCs).

We are a shared care practice of seven midwives with a fair schedule and plenty of off-call time. We place a strong importance on work life balance. Along with excellent clinical skills, we are seeking a flexible candidate who possesses a great sense of humour, a positive teamwork mentality and a desire for interprofessional collaboration.

We hold privileges at Collingwood General & Marine Hospital & serve a diverse clientele, including a large Mennonite population. We have full-scope epidurals and transfer care for inductions/augmentations. Our homebirth rate is 10-15%. We have excellent interprofessional relationships with our obstetrical and nursing colleagues.
