LOOKING FOR A GR FOR WINDSOR ESSEX AREA

Midwives of Windsor was opened in 2003 and our clinic is located in Windsor near our local level 2 hospital. We currently have six midwives, who have privileges at Windsor Regional Hospital and Leamington District Memorial Hospital. Our catchment is not too large with 1 hour of travel from end to end.

Our practice provides care to clients in the city of Windsor and Essex County and we have a large home birth rate and support VBAC's at home.

Windsor is a multicultural city and we have a diverse community, with families from all over the world.

In addition, The City of Windsor is a fun and affordable place to live. It has a beautiful Riverside Walk and it is full of festivals and activities during the year. Most places can be reached within 15-20 minutes with almost zero traffic.

Being a border city, we have the opportunity to enjoy concerts, sports games, big shopping malls and parks in Detroit and the Metro Area. Also we have a local airport and an International Airport 45 minutes away making it easy to plan your next vacation.

What do we offer?

- 35 to 40 clients a year
- No cap for Midwives at the hospital
- Two 3-days weekends off call per month plus personal time if needed
- 2 months of holidays
- Alternate time off for Christmas or New Year
- Parking passes within the City of Windsor
- A supportive team of 6 midwives that will help you get started
- Spacious office spaces, well equipped with 5 clinic rooms
- Supportive administration staff

What are we looking for?

- A midwife that would be able to work in a multicultural environment
- A midwife who is responsible, organized, hard-working, easygoing and enthusiastic
- A midwife who can be part of a team and is committed to support other members of the practices

If you think you are the ideal candidate, send us your resume with cover letter to:

midwivesofwindsor@outlook.com

Thank you
