

Midwives of York Region
Registered Midwives

**MIDWIVES OF YORK REGION SEEKS GENERAL REGISTRANT or
NEW REGISTRANT**

A one year position is available for a general or new registrant in early fall of 2018. This position may be renewed after a year and become an ongoing associate position.

We are a group of 8 midwives with MEP and IMPP routes of entry and work on teams, in a shared call model.

Our catchment area is York Region, extending from Lake Simcoe in the north to Elgin Mills Road in the south, Highway 27 in the west to Highway 48 in the east. This area is comprised of urban, suburban and rural communities with a growing multi-cultural population. Our midwifery clinic is located in Aurora. We have a waiting list of women seeking midwifery care most months.

Our hospital privileges are at Southlake Regional Health Centre in Newmarket. We are a well-established practice with good hospital relationships. We have recently started to maintain primary care of women with epidural analgesia. An interest in working collaboratively and desire to contribute positively to interprofessional relationships is essential.

We are seeking an energetic midwife who is keen to share in both clinical and administrative duties. Our midwives are active participants on various hospital committees, community health organizations and participate in ongoing community outreach. A sense of humour is mandatory!

Please send a letter of introduction and resume to Carrie Garraway by e-mail to yrmidwives@gmail.com or mail to:

Midwives of York Region,
Hunters Gate Plaza,
