## **General Registrant Sick Leave Position**

Mountain Midwifery Care is a new practice in Hamilton as of approval in September 2016. We are a group of experienced, full-scope midwives, well-integrated within the community and holding privileges at St. Joseph’s Healthcare Hamilton (SJHH) and Hamilton Health Sciences (HHS). We are committed to compassionate, high quality, evidence-based midwifery care, and a progressive business practice of equal partnership. We work in a shared-care model of a week on call (births and visits only) and a week off call (clinic and 4-day weekend).

We are seeking a General Registrant who wishes to work full-time for a 6-week sick leave, starting September 26-November 7, 2018, with an opportunity for ongoing caseload in the 2019-2020 fiscal year. Preference will be given to those with SJHH privileges and Dovetale training.

As our newest General Registrant, you are a hardworking team player with a positive outlook. You will be committed to providing compassionate client/person-centred care, have full-scope experience, and excellent skills in communication and interprofessional collaboration.
