

## Norfolk Roots Midwives seeks Locum

~ For 4 months: June-September 2022

### **About the Locum opportunity:**

This is a small practice group currently seeking a locum to fill in for summer holidays. We are a small practice of 4 part-time midwives. On-call weeks consist of covering call, doing clinic and postpartum care for one of the two-midwife teams you would be covering for. Off call weeks are completely off call and you do not need to be in the catchment area. There is some flexibility to the schedule, but ideally, you can be on call for 2-4 week periods at a time.

This is a locum that will be funded by the practice, through billable courses of care. There is a possibility the locum position could become long term at our practice.

### **Assets in the General Registrant Midwife candidate:**

- Comfortable with homebirth assisted by Second Attendants (we have a high homebirth rate), as well as birth at a level 1 and level 2 hospitals
- Able to apply for privileges immediately at our hospital(s)
- Enjoyment of rural and small-town practice and community living
- Interest in low intervention midwifery care, promoting normal birth, and supporting clients to make informed choices
- Quick learner and adaptable to new situations
- Experience with Low-German speaking Mennonite culture is a bonus

### **About Norfolk County:**

Located in southwestern Ontario along the north shore of Lake Erie, Norfolk County is considered Ontario's Garden. Known for its long sandy beaches, beautiful Carolinian forests, fertile fields and farmers' markets, Norfolk County has plenty of activities for recreation and leisure. When choosing a place to stay, there are many small towns surrounded by rural forests and farm area. All the lakeside towns have short-term rentals available, especially in the off season. This beautiful, natural environment is the perfect place to treat this part-time locum as part vacation! See Norfolk County's website for more information:
