General Registrant ad

Orillia Midwives is looking for a General Registrant midwife to cover 6 months of a maternity leave, starting In December or January and ending June. We expect to be able to offer 15-20 clients during this time.

The position is not part of the AOM Locum program. Remuneration will be for coordinating midwife caseload.

Orillia Midwives is a practice of 4 midwives who work closely together in two teams of two. We have great working relationships with the Obstetrical & Pediatric teams at our level II hospital and a small catchment area. We run epidurals but not oxytocin. Your team's call schedule is modified primary care with every other weekend off-call (Thursday night to Monday morning) except when your call partner is on holiday.

If you are interested please email resumes to info@orilliamidwives.com.

Sincerely,
Orillia Midwives
