New Registrant Position

Riverdale Community Midwives in Toronto is looking for a New Registrant starting August 1, 2020.

We are looking for an applicant who is passionate about Primary Care. We cover each other for 2 weekends off-call per month. Feeling comfortable to provide choice of birthplace is essential, as half of our births take place at home or the Toronto Birth Centre (TOLAC included).

We have privileges at St. Michael's Hospital where we work full-scope (augmentations and epidurals).

If you feel strongly about working with a dynamic group of midwives within a supportive practice culture, please email your resume and cover letter by February 28, 2020

Applicants selected for an interview will be contacted.

Thank you!
