

**We are accepting applications for a General Registrant and/or New Registrant
at our Kilworth/London Clinic location with a flexible start date in 2020**

Talbot Creek Midwives is a growing practice looking for you to join our dynamic team based at the Kilworth/London Clinic Location.

We have been providing care to the St. Thomas, London and surrounding areas since 2006. Our practice has grown to 13 midwives across our two clinic sites. We provide care to all ethnicities and minorities. We are a full-scope practice and have privileges at London Health Sciences Centre and St. Thomas Elgin General Hospital. We have great relationships with our nursing and obstetrical colleagues and our practice is a great place to learn and grow as a midwife with close mentoring for all new midwives to the area. We also have a 10-20% homebirth rate.

The practice currently works in a shared care model of teams of 3 that allows for 12+ weeks of vacation per year. We believe strongly in supporting each other with work/life balance and provide flexibility in the clinic schedule.

Both the St. Thomas and the Kilworth/London clinics are located in areas with a growing need for midwifery.

St. Thomas

St. Thomas is located in the heart of Southwestern Ontario in beautiful Elgin County. Surrounding St. Thomas are numerous picturesque towns and lakeside villages. It is also the home to one of the most outstanding parks systems for a city its size with thirty-five parks spread over 457 acres. St. Thomas offers residents a lot of great local cultural activities including art galleries, museums, and live theatre.

London

London, is a nice quiet mid-sized city with housing and other costs of living being very reasonable. London has good shopping and entertainment centers as well as both the impressive University of Western Ontario and Fanshawe College. The city is busy with many outstanding restaurants, shows, concerts, sporting events and festivals.

If you are looking for a fantastic place to practice your love of midwifery while also enjoying a life of your own, we welcome you to apply and join us in providing wonderful care to our clients with the support of our cohesive and passionate team.
