***Allow yourself to be charmed by our communities!***

#### Description of contract

Midwifery is an emerging service in our organization. There will be a midwife on our core team. She will help set up the midwifery unit jointly with the person responsible for midwifery services. Her responsibilities will include full maternity follow-ups and providing support for her teammate. She will also take part in all related activities, notably meetings and team support duties. She will be called upon to work in close cooperation with the various partners working in the facility.

#### Education and experience required:

- Member of the Ordre des sages-femmes du Québec;
- Experience as a midwife a valuable asset
- Good capacity for interprofessional partnering and collaboration
- Experience working with Aboriginal clients an asset;
- Certification from the Neonatal Resuscitation Program (NRP), in cardiopulmonary resuscitation (CPR) and in emergency obstetrical medicine
- Fluent in English. Knowledge of French or Cree is an asset;
- Ability to fulfill the role of midwife while respecting traditional Cree culture and approaches;
- Ease of adaptation and clear capacity for working with a team
- Strong sense of professional autonomy
- Possession of a valid driver's license and a car;

Midwives from outside Quebec are welcome to apply. Support will be given to satisfy the requirements with the Quebec Order of Midwives. Midwives working in Eeyou Istchee (Cree territory) can be exempted from the French language requirements of the Office Québécois de la langue française.
