General Registrant

The Hamilton Midwives is looking for an experienced General Registrant to join our team. This is a full time position with due dates starting in January 2019. We practice in a collaborative model with generous off call time.

We are a busy teaching practice with full scope privileges at St Joseph's Healthcare and enjoy excellent interprofessional relationships within the community. We are a predominantly urban practice, but we do cover several outlying suburbs and villages in our very manageable catchment area.

Hamilton benefits from close proximity and excellent transportation links to both the Toronto and Buffalo-Niagara areas. Hamilton has a vibrant cultural and arts scene, scores of excellent restaurants and many green spaces. Although the housing market is flourishing here, housing and home ownership remain affordable.

All applicants must have recent full scope experience. We are initially offering a two year locum to ensure a good fit, but ultimately we have base caseload for the position.

Please send your resume along with a covering letter to:
