General Registrant

The Hamilton Midwives is looking for an experienced General Registrant to join our growing team. This is a full time position with due dates starting in May 2018. We practice in a collaborative model with generous off call time.

We are a busy teaching practice with full scope privileges at St Joseph's Healthcare and enjoy excellent interprofessional relationships within the community. We are a predominantly urban practice, but we do cover several outlying suburbs and villages in our very manageable catchment area.

Hamilton benefits from close proximity and excellent transportation links to both the Toronto and Buffalo-Niagara areas. Hamilton has a vibrant cultural and arts scene, scores of excellent restaurants and many green spaces. Although the housing market is flourishing here, housing and home ownership remain affordable.

The ideal candidate will practice full scope and have at least five years of experience. They will exhibit strong leadership qualities, and be a willing teacher and mentor to students, NRs and junior colleagues.

Please send your resume along with a covering letter to:

Shirin Aghili
