8789 WoodbineAve U#110 Markham ON L3R9T6

Trillium Midwives is officially opened in January of 2018. We currently are located in Markham ON and having two midwives. Our catchment area is from Markham Road, extending north to Mt. Albert Road and south to Ellesmere Road and at Hwy404, the south to Steels Avenue, moving west to Hwy 400. We do deliver at TBC and Scarborough Rough Hospital (Birchmount Campus and General Campus)

We are looking for a second attendant to assist us at birth in hospital, Toronto Birth Center and home.

Second attendants' roles and duties include:

- Comfortable with the births(including water birth) at Hospital, TBC or home,
- Ability to work efficiently and calmly in emergency situations
- Ability to take direction from midwife taking the initiative to fulfill the duties of the second attendant. excellent communication skills
- Ability to be on-call and provide own transportation to births , Current driver's license
- Certificate in CPR, emergency skills and neonatal resuscitation on a regular basis
- Willing to help with outreach and promotion of the clinic at community events
- Experience working in health and/or maternity care would be an asset but is not a requirement
- Ability to perform basic record keeping
- See the College of Midwives of Ontario www.cmo.on.ca

Compensation will be on a per-birth basis, plus an on-call fee and mileage.

If you are interested please forward your CV and resume by email to Yanxiang Gao info@trilliummidwives.ca by Feb 24 2018.
