

Uxbridge Community Midwives

Accepting Applications for Full-time General Registrant Position (full-time) to join our practice August 2018 (can be flexible)

Uxbridge Community Midwives have been serving the communities of York Region and Durham Region since 2008. We are currently seeking a general registrant for a full-time contract position with due dates starting in September/October 2018. The ideal candidate will have the knowledge, skills and judgment to provide full-scope midwifery care. Demonstration of strong inter-personal skills is required.

We are a small group of 4 midwives who currently practice within a primary care model but are exploring a collaborative model which supports generous off-call time and professional development while ensuring client continuity of care is safeguarded. We are committed to an atmosphere of mutual respect and equality. We are a dedicated teaching practice and have a strong affiliation with the Midwifery Education Program.

You will be part of the team that provides care in a newly approved innovative expanded midwifery care model at Markham-Stouffville Hospital. This new model will require flexibility and comfort with change as we initiate this innovative model. We enjoy excellent working relationships amongst ourselves and other health care professionals in a supportive interdisciplinary team.

Application Requirements:

Current General Registration with the CMO

Current Certification in NRP, CPR and ESW

Strong Work Ethic and Commitment to Women's Care

Committed to Evidence-Based Care and delivering the highest standard of care

Excellent interpersonal skills and communication skills

Willing to do outreach activities and non-clinical duties
