General Registrant Position WEST END MIDWIVES – TORONTO, ONTARIO

West End Midwives is looking for a General Registrant Midwife to join our practice in Jan 2020 to replace a midwife on leave. This position will be for at least one year with a good possibility of it becoming stable and long term. The caseload will be $\frac{3}{4}$ to full-time. You must be registered or have proof that you are eligible for registration as a GR with the College of Midwives of Ontario to be considered for this position.

- We are a practice of 17 midwives located in the north west of Toronto. We provide care for clients in West Toronto, Etobicoke and Rexdale.
- We have privileges at William Osler Health Centre - Etobicoke General site and Humber River Hospital where we practice "full scope" and have effective inter-professional relationships.
- We are mainly a shared call practice with midwives typically working in teams of two or three. There are times when a midwife needs to work in a primary call model.
- We provide care to a very diverse population and work with many clients without OHIP.
- We are a dynamic, diverse and cohesive group of midwives!

Interested applicants should send a cover letter stating:

- when they would be available to start at WEM and if you are looking for a short term or long/permanent position;
- why they are interested in specifically working at WEM;
- how their previous experience and personality will enable them to integrate and work effectively at WEM.

Please forward your letter and CV by 23 Sep 2019 at 0900 to the attention of:
