MIDWIFERY CARE
NORTH DON RIVER VALLEY

2nd New Registrant Position* – Flexible Call Model and Caseload

Midwifery Care ~North Don River Valley is looking for an **approved** 2nd New Registrant for a contract position for 2026-27. We are a growing and busy teaching practice that is committed to supporting and mentoring New Registrants so they can consolidate their skills and get a good foundation to start their midwifery careers. This is an exciting time in our practice. We have a variety of work/call models to support a sustainable work life balance for midwives.

We are a busy urban and suburban practice that cares for a wide spectrum of clients and families that include but are not limited to uninsured, Orthodox Jewish and Korean clientele. We are an active teaching practice with midwifery students, medical students and allied health care providers as learners. We are also involved in many forms of non-clinical work including hospital committees, community involvement, and service at both the AOM and the Toronto Metropolitan University.

We have full-scope privileges at North York General Hospital where midwives attend 600 births+/year. We enjoy excellent relationships with all the staff and care providers at North York General Hospital, which has been ranked as #2 in Canada and one of the top 100 hospitals in the world (as per Newsweek Magazine).

We are looking for people with strong communication and organizational skills, individuals with effective problem solving in complex situations balanced with an easy-going personality and a sense of humour are welcome. BIPOC midwives and midwives capable of providing care in languages other than English are encouraged to apply.

Please send your CV and letter of introduction to:
