Blue Heron Midwives- General Registrant

Blue Heron Midwives is seeking 2 General Registrants to join our practice, with caseload established prior to starting. Blue Heron Midwives is a dynamic and busy practice in uptown Waterloo with a catchment area that includes Kitchener, Waterloo, Baden, New Hamburg, and Woolwich Township. We have been established since 2011. We provide an innovative mix of individual and group prenatal and post-partum care with our Connecting Pregnancy and New Baby Time programs. We hold privileges at Waterloo Regional Health Network where we maintain care for epidurals and oxytocin for augmentation of labour and post dates inductions.

- We are a practice of 7 midwives
- We offer a shared care model
- Clinic is done while off call, 4 day weekends approximately every other week, and a rotating dedicated midwife for seconds and sleep relief
- Equity is the heart of our practice including caseload distribution, equalized billing, holidays and seconds
- Equalized billing monthly so you can anticipate your monthly finances. Includes billing in your first month of work
- You are compensated for the work you do. Backup up fees are paid to the attending midwife
- BORN entry done by administration
- Excellent administration support
- Off-site sterilization of equipment that is paid by the practice
- Equalized distribution of equipment funding and IT funding
- We use ACCURO, with the cost covered by the practice

Interested applicants should submit a letter of interest including a resume. Please forward to info@blueheronmidwives.com Interviews will be held on an ongoing basis. We thank everyone for their interest, only successful candidates will be contacted for an interview.
