

BARRIE MIDWIVES

Barrie Midwives is looking for a New Registrant Midwife to join us at our well established, mostly urban practice.

Our practice was established in 2003 with privileges at Royal Victoria Regional Health Centre since 1994 where we enjoy positive interprofessional relationships. We currently transfer care for epidurals and oxytocin. The midwife joining us would have great communication skills, and be committed to teamwork to facilitate work-life balance.

Barrie is an affordable, family centred community built around Lake Simcoe with many excellent recreational activities in every season (hiking, mountain biking, x-country and downhill skiing, beaches, boating, +++). We have a growing theatre scene, a variety of restaurants/patios, a weekly farmers market, Winterfest, Kempenfest, and great proximity to many music festivals.

Please send your CV and letter of introduction to midwifepartner@gmail.com with "New Registrant" in the subject line. Selected candidates will be contacted for an interview.

Sincerely,

Barrie Midwives Partnership
