COME JOIN OUR TEAM!

ABOUT US

At Blume Maternity Care, our collaborative team provides high-quality, evidence-based maternity care services grounded in the midwifery model of practice throughout pregnancy, birth, and postpartum.

We are a *brand-new* clinic located in Surrey, BC, providing care based out of Surrey Memorial Hospital, and officially opened our doors in July 2025. Our mission is to provide comprehensive full-scope prenatal, intrapartum, and postpartum care for families welcoming their babies in this community. Our team proudly serves a large, diverse, and multilingual community, including many non-English-speaking, immigrant, and refugee families. We are deeply committed to providing care that's inclusive, culturally safe, and accessible to everyone who walks through our doors.

We are a fun, supportive, and down-to-earth team who are passionate about creating a space where both families and care providers feel valued, supported and connected. And because we're still new, this is an incredibly exciting time to join us — by coming onboard now, you'll help shape the future of our clinic, share your voice in how we grow, and be part of building something truly special for Surrey's families.

💛 **Surrey Memorial Hospital urgently needs more maternity care providers — and we're stepping up to help meet that need — join us in making a difference for families in this community!** 💛

POSITION OVERVIEW

We are seeking a Registered Midwife (RM) who is passionate about providing individualized, evidence-based, and holistic maternity care. The successful candidate will join our dedicated team to support families through every stage of their birthing journey — from pregnancy to birth and beyond.

SCHEDULE & FLEXIBILITY

- 12 or 24-hour on-call shifts
- 8 hour clinic days with 30 minute lunch break (or 4 hours for a half day)
- Full Time or Part Time Options:
 - Full-Time Option:
 - 4 – 5 × 24-hour on-call shifts per month
 - 1 clinic shift per week (with the option to take on more if desired)
 - Part-Time Option:
 - 2 – 3 × 24-hour on-call shifts per month
 - 2 – 3 clinic shifts per month

COMPENSATION & BENEFITS

- Compensation is a fixed rate per on-call shift and per clinic day.
 - Please reach out to our team for more detailed information on compensation!
- **Note:** There is potential for additional compensation for performing postpartum home visits, managing postpartum-only discharges from the hospital, and from billable services such as induction of labour and surgical assistance.

QUALIFICATIONS & REQUIREMENTS

- Registered Midwife (RM) in good standing with the British Columbia College of Nurses and Midwives (BCCNM) and the Midwives Association of British Columbia (MABC)
- Current certifications in Basic Life Support (BLS), Neonatal Resuscitation (NRP), Midwifery Emergency Skills Program (MESP), and Fetal Health Surveillance (FHS)
- Ability to work both autonomously and as part of a collaborative team
- Excellent communication, critical thinking, and interpersonal skills
- Demonstrated commitment to holistic, inclusive, and evidence-based maternity care
- Additional certifications in Induction of Labour, Hormonal Contraception, Sexually Transmitted Infections, and/or Surgical First Assist are considered an asset, but are not required.
- New Registrants (NRs) are encouraged to apply — our team offers supportive mentorship and ongoing learning opportunities to help you consolidate your clinical skills and grow confidently as a new midwife

WHY WORK AT BLUME?

-  **Work–Life Balance:** We know how important rest and recovery are and truly believe that caring for families starts with caring for ourselves! Enjoy flexible scheduling, manageable workloads, and a culture that truly respects your downtime so you can thrive personally and professionally.
-  **Flexible Scheduling:** With a large and collaborative team, we're able to offer greater flexibility for vacations, personal time, and professional development, so you can find balance in every season.
-  **Collaborative & Interdisciplinary Team:** Collaboration is at the heart of everything we do. You'll be surrounded by a team of professionals from Lactation Consultants and Nurses to Physicians and Childbirth Educators who believe in learning from one another and caring for families as one united team.
-  **Supportive & Inclusive Culture:** We believe people do their best work when they feel supported and valued. Our team is built on kindness, respect, and a shared commitment to showing up for one another — creating a space that feels more like a community than a workplace.
-  **Diverse & Multicultural Patient Population:** Our clinic serves a large multicultural population, including many immigrant, refugee, and non-English-speaking families. We are committed to delivering culturally competent, inclusive, and equitable care to all families.
-  **Space to Grow:** As a new and expanding clinic, we're excited to shape the future together. Whether your passion lies in clinical leadership, teaching or community outreach — there's space at Blume to grow your career and your passions! We would love to collaborate with any ideas you may have!
-  **Growth & Mentorship:** We are committed to supporting new and experienced midwives alike. Whether you are a new registrant seeking mentorship or an experienced midwife ready to shape the next chapter of your career, we offer a nurturing environment where your skills and ideas are valued.
