Request for Locum

Cambridge Midwives is looking for one Locum midwife to join our practice with booked caseload July 2019. Start date would be May 2019. This is a 10 month position to fill a leave.

We are a well established practice of 10 midwives, with both full and part time primary and shared care models. We enjoy a large stand alone clinic with 5 clinic rooms and 4 washrooms including a large boardroom and a student room. There is plenty of free parking.

We enjoy a good rapport with our local hospital and even have a Chief of Midwifery who sits on MAC. We work with oxytocin induction and augmentations and are in the process of working towards epidural privileges. We also have Entonox for homebirths.

Cambridge is well situated near Kitchener-Waterloo and Guelph and is only an hour from London and Toronto. Our catchment area focuses on Cambridge but includes Paris, Ayr, Puslinch, St. George, Drumbo, Troy, and Sheffield- an excellent mix of urban and rural.

Please submit resume via email or fax to our clinic attention Melanie Lavers.
