Request for General Registrant (Full-time Permanent Position)

Cambridge Midwives is looking for a general registrant midwife to join our practice, with caseload fully booked beginning July 2023. The ideal candidate would be available to begin clinic in May 2023.

Cambridge is well situated near Kitchener-Waterloo and Guelph, and is only an hour from London and Toronto. Whether you enjoy active outdoor activities, love to experience local live music and community, or simply appreciate an area that is close enough to Toronto, yet still has that small town feel, this is the place for you! Our catchment area focuses on Cambridge, but includes Paris, Ayr, Puslinch, St. George, Drumbo, Troy, and Sheffield- an excellent mix of urban and rural.

We enjoy a good rapport with our Level 1 hospital, and even have a Chief of Midwifery in our clinic who sits on MAC. We work with oxytocin induction and augmentations, and now have epidural privileges to go along with our long anticipated new build. We also have Entonox for both hospital and home births.

Cambridge Midwives is a well-established practice of 11 midwives, with both full and part time primary and shared care models. We enjoy a newly renovated space with 5 clinic rooms facing the Grand River. We are fully accessible, and offer underground parking for our associates. We use an EMR (Accuro) for charting, and have an administrative assistant and an office manager.

Are you a team player who values great communication and equity in the workplace? We welcome you to apply now to Cambridge Midwives!

Please submit your resume via email to info@cambridgemidwives.ca and include "GR Position: attention Sam"
