

Community Care Midwives in Oshawa is looking for a General Registrant to start the end of September 2022 or there about.

We have a thriving practice in lovely Durham Region and hold privileges at Lakeridgehealth Oshawa Hospital. We provide full scope care and have a great relationship with all the staff there. The Corporate Chief of Obstetrics is incredibly supportive of midwifery and is very involved at the Ministry level in working toward growth within our practice.

Our practice truly believes in a work/life balance and has a call schedule that supports this philosophy. We work within teams at CCM and support each other in the day-to-day management of juggling the demands of on call practice. We always find time to get together for lunch....food and laughter keeps our group of midwives sane!

If you are interested in pursuing joining CCM send in your resume. If you have further questions feel free to give me a call.
