

GENERAL REGISTRANT LOCUM POSITION

Aug/Sept 2022 - Nov 1 2023

****PART-TIME****

East Mississauga Midwives is seeking a General Registrant for a part-time locum position.

The successful applicant will join a team of 3 midwives working in a unique, rotating call-schedule alternating 3 weeks off-call followed by 1 week on-call. The caseload will be approx 21-23 BCC (there is possibility for more BCC for the right applicant who wants to work closer to a full-time caseload for the fall 2022). We are looking for someone with a start date of August or September 2022 (existing caseload allows the successful candidate to start billing clients as early as August 2022). ***If your timeline/workload preference is different than above, please reach out as we have flexibility to negotiate start and end dates and caseload to accommodate the right candidate.***

This is a unique part-time opportunity with an on-call requirement of only 7 days per month. Currently the schedule is 3 weeks entirely off-call followed by 1 week on-call doing births, clinic (2 clinic days per on-call week) and postpartum visits. We work in a collaborative shared-care model and the team you would be joining books approx. 6 clients per month.

Our practice is in the GTA, approx. 30 minutes west of Toronto. We have privileges at Trillium Health Partners - Mississauga Hospital where we work in a full-scope setting and manage oxytocin and epidurals. We are fortunate to have excellent interprofessional relationships within our community. We serve a diverse population including many new immigrant/refugee families, people in difficult life situations, teens and those without OHIP.

East Mississauga Midwives is a well-established, stable practice of 6 full-time and 4 part-time midwives, most of whom have been with the practice for over 5-10 years. Our practice is extremely supportive of family and personal time and we are committed to balancing both our professional and personal lives. We value the many ways in which midwives identify themselves and are committed to supporting inclusivity and diversity. We welcome and encourage midwives of diverse backgrounds and/or those who speak multiple languages to apply.

Interested applicants should email their cover letter and resume to: info@themidwifeclinic.ca and please indicate when you anticipate you would be able to start at East Mississauga Midwives. Thank you for your interest!
