

Join Our Team of Dedicated Midwives Flexible Start Dates Available

Family Care Midwives is seeking dedicated and skilled **General Registrant Midwives** to join our thriving practice in Vaughan, Ontario. We are looking for collaborative team players with strong clinical expertise—particularly in epidural and oxytocin management—along with excellent communication and interpersonal skills.

Our midwives work in a full-scope, shared-call model, managing caseloads of approximately 30–40 births per year. Computer proficiency is essential, as we use **Accuro** and **EPIC** electronic medical record (EMR) systems in both clinic and hospital settings.

We celebrate diversity and warmly encourage applications from members of equity-deserving communities.

Who We Are

Since 2010, **Family Care Midwives** has been a cornerstone of midwifery care in Southwest York Region. Our team of 14 dedicated midwives provides collaborative, client-centered care in an environment that prioritizes cultural safety, clinical excellence, and continuous learning.

Located in Vaughan, we serve a vibrant and diverse community. Our team offers care in multiple languages, including English, Farsi, French, Polish, Russian, Spanish, and Turkish.

What We Offer

Work-Life Balance

- Flexible shared-call model with teams of 2–4 midwives, or primary call

Supportive Practice Environment

- Strong culture of collaboration and mutual support
- Comprehensive emergency leave coverage systems
- Commitment to safe sleep practices and midwife wellness

Stable Compensation

- Equalized monthly compensation and consistent caseload distribution

Orientation and Mentorship

- Comprehensive onboarding program + EMR training
- Mentorship and support for both New Registrants and experienced General Registrants joining the practice

Administrative and Clinical Support

- Dedicated administrative team
- Detailed practice protocols and clinical resources
- Online platform for easy access to practice documents and information

Additional Earning Opportunities

- Compensation for work qualifying under Caseload Variables and Schedule O funding

Practice Benefits

- Funded midwifery/home birth supplies
- EMR access and support (Accuro)
- Social, wellness, and professional development events

Surgical Assist Opportunities

- Funded opportunities available for certified surgical assistants

Our Hospital Partner

Cortellucci Vaughan Hospital, conveniently located near Highway 400 and Major Mackenzie Drive, has fostered a dynamic and midwife-friendly environment. Midwives are valued as integral members of the healthcare team and are fully supported in providing epidural and oxytocin management.
