

Position: General Registrant Midwife;

- ❖ **We are seeking full-time General Registrant contractors (30-36 BCC/yr)**
- ❖ **Start time: End of 2022 / early 2023**

Family Care Midwives is a successful practice that opened in Southwest York Region in 2011. We are a practice of 14 midwives who are committed to a collaborative, client-centre care model with a focus on quality and continuous learning. We work in a shared-call model, in teams of 2 - 4 midwives, and strive for work-life balance when possible. Our office is located in Vaughan and serves a socially and ethnically diverse community. As well as actively educating about and supporting home births, we currently hold privileges at the brand new Cortellucci Vaughan Hospital.

Cortellucci Vaughan Hospital opened in June 2021 and is located directly across from Canada's Wonderland (near Hwy 400 and Major Mackenzie Rd). Our hospital offers a dynamic, supportive environment of respect and continuous learning and the leadership is supportive of growing our midwifery team. It is a hospital where all staff, midwives and physicians are valued, can engage in meaningful work as part of a friendly, diverse team and use best-in-class technology to provide exceptional client care. At Cortellucci Vaughan Hospital, midwives work in full scope by maintaining epidural and oxytocin certification. We also support non-insured residents of Ontario and maintain relationships with the Vaughan Community Health Center.

Family Care Midwives is seeking dedicated midwives with strong clinical skills, including epidural and oxytocin management, while having excellent communication and interpersonal skills. Strong computer skills are also required, as both our clinic and hospital have EMR (Accuro and EPIC respectively). We currently have midwives who can speak English, French, Russian, Farsi, Spanish, Cantonese and Mandarin, so speaking another language would be an asset.
