

## **General Registrant Position**

*Starting March 1st 2025 for a full time position for 1 year with a possible extension*

Come join us in Guelph at Family Midwifery Care to work with our Fergus team.

We are a well-established practice (25years) of 17 midwives working in a shared care model. In this model midwives work in primary care teams of two or three midwives. We are a supportive and flexible group which value giving support to each other and particularly to new midwives joining our practice. Our main office is located in Guelph, and we have a satellite office in Fergus. We serve a diverse population including Mennonite families.

We have 3 excellent admin staff supporting us. Our charting is done with EMR (Accuro). We have a 20% home birth rate.

We are actively seeking candidates who have varied personal and professional experiences. Speaking multiple languages is an asset. We value a diverse work team that reflects the communities we serve. Midwives that identify as BIPOC are encouraged to apply.

We all have admitting privileges at Guelph General Hospital (Level 2) and half of us also have admitting privileges at Groves Memorial hospital (Level1 Rural). We have excellent relationships with nursing staff and Obstetricians at both sites.

We have regular educational rounds held with obstetricians and midwifery department meetings.

Fergus is a beautiful rural town, with all amenities and services. It also offers peace and quiet at its doorstep. Guelph is 15 min away. It is a vibrant university community with abundant outdoor activities, agriculture, arts and academics.
